

CPATA minutes
11/15/2010
Mechanicsburg Area High School

Attendance:

Sandy Zettlemyer, Matt Staub, Craig Kemmlein, Sheila Mueller (CV), Steph Gehman (CV/ CPRS), Susan Capelli, Vicki Ivey Bob Shank, Caryn Flaherty

Charitable events:

Goal – put our organization name out there to join together to support others.

Updates on 5K- may be difficult to get started now. We need to look further into the organization of the race. We would need to staff it for others to participate in. We may be able to create one thru the Harrisburg Road Runners. We need to wait until after Jan 1st to apply for a permit to create a race thru Hburg Road Runners.

Participation ideas:

Relay for Life event participation

We need to look up additional events.

Put ideas out there for additional events or join with another group.

Gettysburg North/ South Marathon Sunday, May 1st

<http://www.gettysburgnorthsouthmarathon.com/>

contact Sue Capelli if you are interested in participating

****We need to find activities for Athletic Training Month in March!!! Please send suggestions!!**

Group Communication:

Web site – we are working on it now

Face book

Emails – communication has been valuable. We need to encourage and continue active participation of our members.

Survey – 30+ completed results. Good responses. Members are very supportive.

Concussion follow up –

Many schools have required their coaches to take the ImPACT test.

Be sure to check the PIAA rules regarding concussions.

Legislation – stalled and we are hoping it dies. Additional people have been included on the bill that really should not be there allowing them to clear concussions.

Social/ educational activities –

Hershey Bears Game – Sunday night is the best option. We need to get tickets and food costs – Dr Lynch and Dr Silvis would be happy to speak. We need to look into group rates and room availability.

Clothing ideas – we need a logo. We should include the 6 counties – York, Adams, Franklin, Cumberland, Perry, Dauphin.

Would people please contact anyone that can help create a logo ☺

We could wear the clothing at events we are participating in or helping with.

Dues: will be collected starting the beginning of the New Year. Dues are 10.00 per year.
